Why should I WALK the course ?

- 1. It's great exercise, really!**
Golf Science International, researcher Gil Magnusson calculates that 4 hours of playing golf WALKING is comparable to a 45 minute fitness class.
- 2. Lose weight and enjoy it.**
Playing golf WALKING burns between 5 and 8.5 calories per minute. This compares to 5 to 11 calories per minute while playing tennis.
- 3. Live longer.**
Moderate exercise such as WALKING, greatly reduced the risk of early death in both men and women.
- 4. Lower bad cholesterol.**
Cardiologist Dr. Edward A. Palank's study showed that WALKING golfers reduced their levels of bad cholesterol while keeping their good cholesterol steady.
- 5. Stay healthy.**
WALKING builds a stronger heart and also improves your breathing, muscular tone and posture.
- 6. Save money.**
The average cost of renting a riding cart is \$20.00 per round. You do the math.
- 7. Go Green.**
Reduce energy consumption and eliminate damage to the golf course. So leave the riding cart at the clubhouse and WALK your way to a longer life.

*** USGA declares war on riding!**
David Fay, USGA's Executive Director baldly states: "We strongly believe that walking is the most enjoyable way to play golf and that the use of riding carts is detrimental to the game. This negative trend needs to be stopped now before it becomes accepted that riding is the way to play golf."
